

# Holy Unity

**It's amazing what happens when people get together in unity of purpose!**

The Lord had to come down one time to check out a tower of Babel - Gen 11:5

**Because they were getting the job done.**

You may not agree with that, but they were getting the job done!

- They were getting the job done with inferior materials
- They were getting the job done with the wrong method
- And they were getting the job done with the wrong motive
  
- But they were getting the job done!!!
  
- The material was stone and slime - instead of brick and mortar - God's materials
  
- Their method was to build a tower that would reach into the heavens and be ruled by the heavens
- (it was a cultism- it was Satanic influenced.)
- Built by a rebel named Nimrod!
  
- Their motive was to build a name for themselves - and not a name for God!
- ""But God had to come down and check it out, and in verse 6 He said they're going to do whatever they imagine in their minds to do."
- They're not going to be stopped and the reason they're not going to be stopped is because the people were as one.

**I said the people were as one! I said the people were as one!**

They had one language. They had one speech. They had one purpose.

I'm telling you. If unholy unity will get God's attention, what will Holy unity do!?

I want you to know He dispersed their languages...He made them start talking all different kinds of languages...and the language wasn't re-grouped until there

came a sound from Heaven as of a mighty rushing wind and it filled all the house where they were sitting, and there appeared unto them cloven tongues like as of fire and it set upon each of them. And they were all filled with the Holy Ghost and began to speak with other tongues as the Spirit gave them the utterance.

What God dispersed in Gen 11 He brought together with the infilling of the Holy Ghost in Acts chapter 2.

**I don't know what kind of Holy Ghost you got,  
but the kind I got will make you speak in a heavenly language.**

- **How many of you have talked in tongues around here??**
- **We've got the same language, so why don't we start talking the same talk**
- **Why don't we start talking the same talk...**

**There's nothing we can't do with Holy Unity!**
