

OUT OF THE ABYSS

Proverbs 23:7a

“for as a man thinketh in his heart so is he”

Rev 9:1-11

1 And the fifth angel sounded, and I saw a star fall from heaven unto the earth: and to him was given the key of the bottomless pit.

2 And he opened the bottomless pit; and there arose a smoke out of the pit, as the smoke of a great furnace; and the sun and the air were darkened by reason of the smoke of the pit.

3 And there came out of the smoke locusts upon the earth: and unto them was given power, as the scorpions of the earth have power.

4 And it was commanded them that they should not hurt the grass of the earth, neither any green thing, neither any tree; but only those men which have not the seal of God in their foreheads.

5 And to them it was given that they should not kill them, but that they should be tormented five months: and their torment was as the torment of a scorpion, when he striketh a man.

6 And in those days shall men seek death, and shall not find it; and shall desire to die, and death shall flee from them.

7 And the shapes of the locusts were like unto horses prepared unto battle; and on their heads were as it were crowns like gold, and their faces were as the faces of men.

8 And they had hair as the hair of women, and their teeth were as the teeth of lions.

9 And they had breastplates, as it were breastplates of iron; and the sound of their wings was as the sound of chariots of many horses running to battle.

10 And they had tails like unto scorpions, and there were stings in their tails: and their power was to hurt men five months.

11 And they had a king over them, which is the angel of the bottomless pit, whose name in the Hebrew tongue is Abaddon, but in the Greek tongue hath his name Apollyon.

KJV

In **Rev. 9:1** the 5th angel sounds his trumpet and a star (or angel) falls from heaven unto the earth

- The angel is given the key to the bottomless pit
- Some bible translations call it the abyss
- It is a never-ending abyss...truly a bottomless pit

A spiritual key opens a doorway or portal into the spirit realm

So once it is opened...out of this bottomless pit comes forth two things:

1. Smoke.
2. Locust like creatures

Smoke makes it difficult to see clearly. What comes out of this pit is hard to see or difficult to discern. It comes by stealth.

The locusts are told to not hurt (harm, damage) the grass or any green thing, but they are to torment men for 5 months, as a scorpion strikes a man.

As is not the same as **is**.

These locusts have a king over them and his name is Apollyon, which means "the destroyer".

MY POINT IS SIMPLY THIS:

The bible speaks that in the end times there will be a loosing of evil spirits that will torment men.

They cannot touch “those men that have the seal of God in their foreheads”.

These spirits don’t kill men, they torment them

I believe these spirits are loosed to assault the minds of men. They are to challenge the thoughts, values, morals, and peace of men.

Listen to this from [2 Peter 2:4-9](#)

4For if God spared not the angels that sinned, but cast *them* down to hell, and delivered *them* into chains of darkness, to be reserved unto judgment; **5**And spared not the old world, but saved Noah the eighth *person*, a preacher of righteousness, bringing in the flood upon the world of the ungodly; **6**And turning the cities of Sodom and Gomorrha into ashes condemned *them* with an overthrow, making *them* an ensample unto those that after should live ungodly;

The Godly will Be Delivered

7And delivered just Lot, vexed with the filthy conversation of the wicked: **8**(For that righteous man dwelling among them, in seeing and hearing, vexed *his* righteous soul from day to day with *their* unlawful deeds;) **9**The Lord knoweth how to deliver the godly out of temptations, and to reserve the unjust unto the day of judgment to be punished:

The Mark of the Beast 666

- Man's number is 6. God created man on the 6th day of creation.
- God's number is 7. Seven is revered by Hebrews as God's divine number of perfection.
- 666 represents man's attempts to become perfect and to be like God. But 6 can never be like 7.

Number in forehead is your thoughts, ideologies, beliefs

Number in right hand is your works

In today's world of virtual reality there is a common word used - Avatar.

An avatar is the incarnation of a Hindu deity.

- It is the incarnation of a god in visible and/or human form.
- It is also the embodiment of a philosophy or concept.

The origin of avatar is from the Sanskrit (ancient language of India)

It means, "He descends and crosses over. The descent of a deity or supreme being to earth. An incarnation or manifestation".

Avatars are about the reincarnation of an old deity or spirit that is looking to inhabit a human form or body, their philosophy, or an object".

In Hindu doctrine, Lord Krishna is quoted saying, "Whenever there is a decline of righteousness and rise in unrighteousness, then I send forth myself."

Avatars are one of the core foundational principles of Hinduism.

- In the Hindu holy writings called Bhagavata Purana, it says the incarnations of their goddess Vishnu are innumerable.
- She is simply one of millions of such gods and goddesses
- Shiva, Ganesha, Kali and others are similar

In Sikhism an avatar is a deliberate descent of a soul to earth in any form (people, rocks, cows, whatever).

In Hindu mythology, an avatar is the descent of a deity to the earth in an incarnate form or some other manifest shape. It is the incarnation of a god.

THERE ARE THINGS THAT OPEN THE ABYSS INTO OUR LIVES, HOMES, AND SOCIETY

These spirits are commonly called “spirit guides”

- Astral or out of body projections
- Automatic writing
- Ouija spirit boards
- Seances
- Vision quests
- Invoking spirits
- Sensitivity
- Lucid dreaming
- Hypnosis

Billions of dollars are being spent to develop the Noosphere, which involves millions of people daily around the world.

- The proponents are trying to create a global mass consciousness
- They believe their combined mental efforts can re-create the world and its elements
- Mega-websites such as The Second Life exist where people create property, buy property, and live alternate lives via avatars in a virtual reality world
- The addictions to these sights are destroying lives because counselors do not possess the skills to break the cycles of addiction being caused by these activities
- Fact and fantasy become blurred and indistinguishable
- Avatars are incarnations of Hindu deity's and old spirits. They need people to manifest themselves through.

- The Noosphere boasts that it is already shaping elections around the world, and it is being done so from a virtual reality mindset

Out of the bottomless pit is coming a delusion that is after the minds of men and women

There are cases of divorces in the United States that have been granted on grounds of adultery, and the other women have been virtual women from the Noosphere

- In the Noosphere you can be whatever you want to be with no consequences. People are choosing that life over this real life. That is right out of hell.

Much modern media technology uses hypnotism on its audience

An article I read today about the hypnotic effect of television and computer games ended this way:

“A final note: Television, computer and video games are not play activities since studies on the negative effects of television addiction show that these activities interfere with successful child functioning and damage children's health, whereas play does the exact opposite.

Child's play is usually characterized by mind enlivening imagination, creativity, social cooperation, and physical movement. One tends to be mind elevating and enlivening, the other, mind numbing. Therefore, always encourage your child to play the old fashioned way.”

Another medical study on violence said, *“Child see, adult do”*.

Studies connect media hypnotic influence to multiple dysfunctional addictions, alcohol addictions, promiscuity, drug addictions, violence, abandonment, family breakdowns, debt, and countless other things.

An abyss has been opened. A spiritual door has been unlocked.

The key connects the spirit world to the mind and pens a way of access for demonic influence and entrance.

Acts 19 details the head on confrontation between the apostle Paul and the demonic powers in Ephesus.

Acts 19:19-20 (KJV)

19 Many of them also which used curious arts brought their books together, and burned them before all men: and they counted the price of them, and found it fifty thousand pieces of silver.

20 So mightily grew the word of God and prevailed.
